Call for papers on
Methodology in Clinical Epidemiological Research
in General and Reproductive and Perinatal Epidemiology in particular

AOGS is seeking manuscripts on methods in Epidemiology in general and specifically on Reproductive and Perinatal Epidemiology issues. We welcome original research work and reviews on specific topics. Manuscripts with a clear focus on methodological issues will be prioritized. All papers would have to go through the regular review process. The deadline for submission is 1 July 2017. Please submit online at our website

<https://mc.manuscriptcentral.com/aogs>

Please follow the [author guidelines](#) carefully while preparing and submitting your manuscript.
